From this office for fifteen years, Mrs. Sidney Bost, as secretary to the superintendent, typed the copy for the Barium Messenger, prepared the official documents, typed thousands of letters, prepared special reports, greeted visitors to the Home, answered questions for the children and changed their money for the coke machine. She is missed very much in the office and on the campus since her retirement last fall.

More Than 1200 Pounds And Nearly 300 Inches

Gaining weight and growing taller has been one of the main businesses during the last year. Records made annually at the physical examinations give opportunity to check on those who have been at Barium Springs at least a year. Nearly thirteen hundred pounds were added to the total weight of the boys and girls at the Home and almost three hundred inches to the height. It appears that four inches was about the maximum for any reaching upward and that many were in the four inch group. Seven of the students had gained more than twenty pounds with the heavy weight going to the one who had gained twenty-eight pounds in the year.

Apples and applesauce, beans, potatoes, cabbages, sausage, ham, bacon, hamburger, beef steak, sweet milk, butter, eggs and chickens—all these including the special turkey and cakes at Thanksgiving and Christmas certainly have made for good health and happy growing among the boys and girls of the Home.

Troutman Drops Close Contest

By JERRY JOSEY
Statesville Record & Landmark

SPENCER — In the Piedmont Conferences Tournament the Troutman girls, who gained fourth place in a playoff, dropped a 65-53 nod to Asheboro girls, another of the four teams tied in the South Piedmont but given top-seeding.

Troutman's Bobcats got hot a couple of times, but they just couldn't quite catch up with Asheboro's Blue Comets.

Coach Mary Ruth Godfrey's club dropped a 65-53 decision which was much closer than the final score indicates.

Hot-shooting Gail Harris, a small but deadly aim at forward, was well the difference. Gail dropped in 47 points, hitting from all angles of the court, mostly on long push shots from the outside and from the corners. Beverly McClure dropped in 27 for Troutman to

Contracts Will Be Let For New Buildings

Blue prints are in the hands of the contractors who will submit bids for the erections of some new staff quarters on campus. The Board of Regents in its November meeting approved the plans in general and authorized the Building and Grounds Committee to proceed with the erection of the apartment units. These buildings will be located on the site formerly occupied by the first Superintendent's Home, known as the Boyd building. This old structure has been removed to make way for the new buildings. There will be two buildings with five units for housing. Two small family units will be in the South building, with an open court between.

These buildings will be one story, fire resistant, with the brick work conforming to the pattern of the newest buildings on the campus. Design Associates of Statesville, North Carolina, are the Architects for the drawings and the supervision of the erection. It is hoped that these buildings may be completed by midsummer.

Deep Snow Cover Campus

The month of March brought heavy snows and kept the campus covered for most of the time. The county schools were closed but the elementary school on campus continued to operate. The farm crews and the campus crews joined hands to scrape roads and sidewalks and shovel snow from steps.

The fifteen new sleds given the Home as a special gift came out of storage and hit the hillsides. Morning, noon and night the laughter of boys and girls as they made their way up and down the hills filled the air with excitement and joy that comes from sledding in the snow.

Not all of it was pleasure for some of the heavy snow did damage to some of the older buildings. The tractor shed was completely demolished by the weight of ice and snow on the roof. One section of the old sheep barn suffered under the load and collapsed. Farm roads became almost impassable and terraces suffered in overflows from the excessive waters.

Those who had been wishing for snow and begging for snow found their wishes and desires more than fulfilled and everybody was happy to see the ground again and the snow disappear for good.

Basketball Reign Is Ended

For three months basketball has been king of the campus. Boys and girls from the Home have been participating on six teams—the varsity girls and boys in the high school, the junior varsity boys and girls and the elementary boys and girls. It was difficult to find time to do the milking, dishwashing, sewing and laundry and get in all the practice and games that involved these six teams. It has been a lot of fun. The elementary school has probably posted the best record in the won and lost column with the junior varsity teams suffering perhaps the most losses. The Troutman high school varsity teams won fourth places for both boys and girls in the conference and therefore a spot in the tournament. In the stiff competition of the tournament the first round saw the elimination of both of the Troutman teams.

Four members of the high school teams made the all conference honors. In the girls division Beverly McClure, forward, and Alice Williams, guard, were chosen for the all conference honor and from the boys' squad Danny Loftin and Dickie McKenzie were selected.

UNDER THE STEEPLE

By Rev. Hugh B. Carter, Jr.

World Missions has been "the word" under the steeple since last we went to press. Reverend Lardner C. Moore, missionary to Japan began our week of prayer and self-denial with a stirring sermon which described the work being done by our Church at the Yodogawa Hospital in Osaka where he is Chaplain. During the mission season, the congregation saw the motion picture film "Footsteps of Livingstone" produced by the American Bible Society, and heard a sermon on Africa. The choir offered anthems that exalted the Great Commission. Daily meetings for prayer were held prior to our special offering under the auspices of Mrs. Terrell Hall, Chairman of World Missions for the Women of the Church. Our special offering this year amounted to $110.11.

Speaking of special offerings, the records show that last year Little Joe's gave almost $500 in special offerings as follows: To World Missions in March $93; to Overseas Relief (Easter) $61; in May, to Church Extension $52 and to Synod's Presbyterian Home (Mother's Day) $39; Presbyterian Orphans' Home (Thanksgiving) $155, and the December Joy Gift was $87. Total contributions showed $3,186 to benevolences and $6,420 to Current Expenses.

Awards for reciting the Catechism For Younger Children were made to Eddie Homesley, Myra Carter, Tim Carter and Percy Utsman. Percy shared honors with Jayne Webb and Arthur Wiencken for having the highest score on the six weeks quiz taken by the entire Church School, based on studies in the book of Acts.

The Men of the Church enjoyed another large breakfast prepared and served by chief cooks Clinton (Eggs) Clontz, Lafayette (Coffee) Donaldson, John (Ham) Ervin, Ike (Bacon) White, and George (Rolls) Young. Twenty-two men attended the early morning meal and listened to the guest minister, Lardner Moore.

Special visitors during the month came from Ridgecrest Church near Stanfield. The Senior Highs, led by pastor Dick Hobson, shared supper and fellowship with our Senior Highs.

We enter now the Lenten Season with thoughts of the Savior paying the price for our sins. About four hundred years ago, the English preacher poet John Donne wrote these words:

'Twas much that man was made like God before,
But that God should be made like man, much more.

This man, whom God did woo, and loath t'attend
Till man came up, did down to man ascend.

God clothed himself in vile man's flesh that so
He might be weak enough to suffer woe.

Presbyterian Child Care Association To Meet In April

Administrators from the Children's Homes and Agencies of the Presbyterian Church, U. S. will meet on the campus April 20-22nd. Reverend Jerry Newbold, President, has announced the list of speakers for this occasion. Doctor Ellen Winston, Commissioner of Welfare for the State of North Carolina, will give the keynote address of the conference. Doctor Alan Keith-Lucas, Professor in the school of Social Work at the University of North Carolina, an outstanding leader in the field of child care is on the program. Doctor John R. Cunningham, distinguished Presbyterian leader, and now directing the Presbyterian Foundation in Charlotte, North Carolina, will speak to the group in one of the sessions. Mr. Gordon A. Hanson, Secretary, Division of Homes and Christian Welfare, will be presented to the group and will have opportunity to explore with them the work which he has recently agreed to head up through the Division of Homes and Christian Welfare.

Campus To Get New Water Supply

Contracts will soon be let for laying of the water line from the Statesville City limits to the campus of Barium Springs, and thus at long last the fondest hopes of the Barium family will be realized in having good tasting water that doesn't turn everything it touches red. A big pipeline ranging in size from sixteen inches down to eight inches as it reaches the campus of Barium Springs will bring good water to every building on the campus.

The work once begun can be completed in about ninety days. It is therefore hoped that the flow of the new water can reach the buildings by the month of June.

The source of supply at Barium Springs has been three deep wells, two of which have been the red wells with an unsavory taste. In addition the source of supply has been diminishing each year for the last decade. It was imperative that a new source of supply be found for adequacy and for taste and the absence of color.

The one good well will be continued for the use of the laundry and the boiler room and for certain campus uses other than domestic purposes.

TROUTMAN DROPS CLOSE CONTEST

lead the Bobcats, with Patsy Ross chipping in 14 and Carolyn Current adding 12.

Asheboro never trailed. Gail Harris hit two foul shots at the outset and added a field goal for a 4-0 lead in the first minute. With 2:38 left in the first period, Asheboro had run up a 14-5 lead. Troutman trailed, 18-10, at the end of the first period.

With a minute elapsed in the second quarter, Asheboro had pushed the lead to 20-10. Asheboro ran up a 33-18 lead with 2:30 left in the half, when Troutman finally got hot. The Bobcats cut it down to 33-25 at halftime.

Beverly McClure hit a pair of goals and Patsy Ross hooked in another to slice the Asheboro margin to 33-31 with 6:13 left in the third. Asheboro was cold, missing on seven consecutive shots from the floor, but they returned to their hot pace.

With a minute left in the third, they led by 11 points at 45-36. The Blue Comets posted a 49-36 lead after a minute had elapsed in the fourth period. Troutman cut it to eight at 49-41 and that was as close as they came.

Asheboro hit on 48.1 per cent of their shots from the floor, sinking 26 of 54 attempts, and added eight of 14 from the foul line. Troutman had 22 of 56 field goals for 39.3 per cent and eight of 12 foul shots.

Troutman Bid Falls Under 23-6 Assault

Statesville Record & Landmark

SPENCER — Troutman's Bobcats, gunning for a big upset in the Piedmont Conferences Tournament here, ran out of gas in a usual third-period lapse and Statesville's Greyhounds, South Piedmont Conference champions, hit their hottest streak of the year to post a 63-40 decision.

Concord and Asheboro shared the South Piedmont Conference regular season title with Statesville and Kannapolis. Concord took an 87-84 win over Mooresville, while Asheboro downed Troutman, 65-53, to gain the semifinals.

It's co-champion against champion in the nightcap, however. Herb Sampsel's Greyhound sextette shared in a four-way split for the South Piedmont honors and gained a 70-58 win over West Rowan in the opener. Winecoff's girls knocked off rival Kannapolis, 54-48, in a hot-shooting encounter last week. They won the North Piedmont Conference title and will put a 15-1 mark against Statesville's 12-2 in regular season play.

The third place period lapse that has plagued Troutman's Fred Shoaf all season came back to haunt him again after his Bobcats had given the Greyhounds all they could handle for the first two periods in a 22-20 tussle.

But Dave Odom's Greyhounds cut loose with a 23-6 barrage in the third period. "It was our best showing of the year in the quarter," Odom remarked after the tilt. Statesville hit on eight of 16 field goals for a solid 50 per cent and had 100 per cent at the foul line in the third period on seven of seven attempts.

Neither club had anything offensively to boast about in the first half. It was definitely the poorest first half in the tournament's first round play. Statesville had seven of 33 field goals for 21.2 per cent and Troutman hit seven of 28 for 25 per cent. Had it not been for foul shots, it would have been rough. Statesville hit on eight of 10 in the first half and Troutman counted six of seven attempts.

Troutman's buckled completely in the third period, both offensively and defensively. They bagged only two of 21 field goal attempts and hit on two of eight foul shots during the spree as the Greyhounds rolled up the score.

Troutman had a 5-1 lead after three minutes of action and, with four minutes remaining in the first period, had built up the margin to 8-4. Consecutive goals by John Alexander, Neill McGeachy, Tom McCurdy and Calvin Bryson pushed the Greyhounds out front, 12-8, as the Bobcats hit a four-minute scoring lapse.

Troutman rolled back in the second period behind center Danny Loftin, who sank some of the most uncanny shots in this dribble derby. Three times, the Troutman ace sliced Statesville's lead to two points. The Hounds held a 22-16 lead with 49 seconds left in the half when Loftin drove for a basket and Dickie McKenzie's set shot with eight seconds left cut it to 22-20. Loftin took a futile attempt at the buzzer and the shot dipped in and out from almost a full-court away.

McGeachy and Loftin matched baskets at the outset of the third period for 24-22 before the Greyhounds hit their hottest shooting spree of the season and the Bobcats went sour.

Statesville rolled from a 24-22 lead to a 41-22 margin before the Bobcats scratched the scoring column on Vernon Clodfelter's two foul shots with 1:18 left in the third period. Troutman went five and a half minutes without a point as the Hounds tossed in 17 markers to break the tight affair wide open. John Alexander, Tom McCurdy, Neill McGeachy and Eddie Earle hit consistently for the Hounds during the stretch run.

Earle and Calvin Bryson built the lead to 50-26 at the outset of the fourth period. With six minutes left, the Bobcats had plenty of foul trouble with Jim McAbee, Vernon Clodfelter and Danny Loftin holding four personals each. The Bobcats lost Clodfelter with 2:52 left and McAbee fouled out with 2:45 remaining.

Cottage News

RUMPLE HALL

Hi,

Here we are again. It's been a good while since you have heard from us, but we are back with some more news.

Among the activities on the campus within the past month we guess the most exciting and important thing was the Boy Scout Banquet. We all did a lot of work to serve those four hundred men.

Then, too, we have been kept on our toes screaming and yelling for our basketball teams. Most of the excitement of the new year has come from these games.

Here in our cottage there has been quite a bit of excitement. Our one senior girl, Vicki Brafford, has been busy working on her term paper. It looks as if we will have two more term papers to be written within the next four weeks by Nancy Joyner and Elva Medlin. Then we have two little girls, Mary Della Hyde and Nancy Finley, who are practicing their vocal chords to sing in Charlotte at the Junior Choir Festival in April. Good luck girls.

This month we only have one girl who will be celebrating her birthday. She is Nancy Finley. Happy Birthday, Nancy.

Oh, we can't forget about our Junior Varsity Basketball teams. The seventh and eighth grades make up the Barium Junior Varsity team. The ninth grade makes up the Troutman Junior Varsity team. Barium's team has won all of the four games they have played, and they have two more coming up. Troutman has played eight games and has done very well. Lou Anna Bridgers, Linda Sue Medlin, Joyce Ann Hughes, and Jeanette Grier are members of Barium's squad, while "Husky" Sue Bush plays forward for Troutman. Elva Medlin has played hard also to help get us to the top. We are proud of our boys and girls for getting in the tournament.

Talk about fun, we missed having a white Christmas, but we did have a white Valentines. We all enjoyed sliding down the hills with our new sleds. Each cottage received one.

We'll see you again next month.

The Rumple Hall Girls

SOUTH COTTAGE

Writing to you in the Messenger is a new experience for me. My name is Tommy Bush.

We have a new Scout Troop at Barium. All our 11-year-old boys had the opportunity to join. We hope it works out and our boys become Eagle Scouts. The boys in the troop from our cottage are Jerry Williams, Gregory Lockamy, and Alfred Blake.

We have two of our family in the Infirmary with the mumps, Eddie Webb and Dwight Lefler. The sixth grade teacher, Mrs. Jack Massey of Troutman, was out of school for a week with the mumps. We hope others don't take them.

Pretty soon we will be getting water from Statesville. We are all looking forward to it.

We have two boys in our cottage that are musically inclined. Al Blake plans to play the cornet in our new brass band. Greg Lockamy is in the Junior Choir and will sing in the Music Festival in Charlotte.

Tommy Bush and the South Cottage Boys.
